

EXHIBITS AND DISPLAYS

Titan Waterjet's 6' X 20' abrasive waterjet can create a vast array of custom trade-show exhibits, museum exhibits and POS displays. In addition to our waterjet services, we also offer a full arsenal of design and fabrication services.

Additional exhibit information can be found on our parent company's website: www.hoffmandesignworks.com

MATERIALS

Exhibit materials are fairly limitless. Metals, woods, plastics, laminates, rubber, glass, foams and more.
